EXPERIENCE ordered by relevance

Xerox Corporation

2008 – 2018

Program Manager, Corporate Communications

2014 – 2018

WORKFORCE CHANGE MANAGEMENT

- › During the 2016 separation of Xerox (\$10.8B) and Conduent (\$6.7B), led change management for 140,000 employees across 180 countries.
- › Partnered with HR to design and deploy an enterprise-wide workforce change management risk monitoring system. Escalated hot spots to leaders.
- › Built workforce adoption plans for Office 365 migrations, SharePoint 2010, and other large-scale technology rollouts across the global organization.
- › Enabled a network of change champions across SharePoint and Yammer rollouts. Worked with leadership to drive the culture shift required for open communication.

EMPLOYEE COMMUNICATIONS AND ENABLEMENT

- › Designed intranets for two Fortune 500 companies. Built IA, structure, and governance. Dramatically simplified publishing process, eliminating \$125K in annual overhead.
- › Conceived and spearheaded Futurist Fridays, an employee initiative that measurably improved engagement during major organizational change, and earned media coverage.
- › Defined KPIs, and monitored adoption of SharePoint, internal video platform, and other corporate technologies. Created job aids, videos, and onboarding processes.
- › Developed comms strategy that mapped needs to appropriate channel, vehicle, or tool. Ensured adherence to brand visual and tone of voice standards.

EXECUTIVE AND CORPORATE COMMUNICATIONS

- › Organized 2015 and 2016 Leadership Meetings, annual kickoffs for top 300 Xerox execs.
- › Rearchitected Global Citizenship Report with flexible structure that accommodated varying reporting requirements across 42 topics, while enhancing accessibility and storytelling.
- › Wrote the global strategy narrative for Direction 2016 with direct CEO input. Designed and wrote the slides and talk tracks deployed to all Xerox managers globally.

Manager, Global Social Marketing

2012 – 2014

- › Led a global community of 70+ marketers. Built the GTM framework each team used to plan, execute, and measure every major campaign in their local or national market.
- › Owned product strategy, governance, and performance accountability for 100+ Xerox-branded social accounts across Facebook, Twitter, LinkedIn, and emerging platforms.

Additional roles: Communications & Collaboration Project Manager, Enterprise Social Networking, Communications Project Manager. For information, see [LinkedIn](#).

Paychex

2019 – 2026

UX Design Manager

2021 – 2026

Responsible for product design teams; content design and multimedia practices; and enterprise change management, client training, AI enablement, and communication strategy.

TEAM LEADERSHIP & PRACTICE BUILDING

- › Hired 12 people and personally trained 9 to become experts in a new discipline.
- › Directly managed a team of 12 designers and contract workers, overseeing content design strategy across all products, in highly regulated HR Management industry.
- › Transformed design culture from letter-of-the-law compliance to intentional design system stewardship. Embedded content designers as change ambassadors. Measured adoption through manager feedback, surveys, and component usage metrics.
- › Owned UX strategy for Paychex's Tax and Payments products. Partnered with legal, compliance, and engineering to translate regulatory requirements into clear instruction.

CHANGE STRATEGY & RISK MITIGATION

- › Developed change management framework distinguishing risk mitigation from feature awareness, with the UX research team. Taught methodology across the organization.
- › Led change strategy around replacing a legacy payroll platform for accountants. Elevated risk about major adoption barriers. Developed a contextual solution to reduce disorientation.
- › Oversaw creation of a kit of interface treatments for change management, ensuring a consistent approach across 25+ products.
- › Pioneered KPI assessment processes, including UMUX-lite surveys, to feed product health scorecards, monitor response to changes, and drive continuous improvement.
- › Developed research-backed approach to user education, analyzing data from surveys, usability tests, pilot programs, and training usage.

COMMUNICATIONS & AI ENABLEMENT

- › Partnered with marketing to develop unified client comms strategy across all channels.
- › Facilitated point-of-need training for internal deployment of LibreChat.
- › Built AI-based Content Design Coach. Enabled others to create app messaging. Drove adoption. Freed up 100+ hours of content design expertise each week.

UX Content Designer

2019 – 2020

- › Owned design, content, and writing end to end for the PPP loan calculator on a tiger team under extreme deadlines, incorporating changing federal regulations in real time.
- › Owned content for allocation, contribution, and loan workflows within Retirement products, including legal text typically excluded from content design scope.
- › Defined information architecture and taxonomy for General Ledger, alongside interface writing, working within structural constraints set before the project began.

Additional role: UX Design Operations Specialist. For information, see [LinkedIn](#).
